ONLINE DISTRICT 28 MEETINGS

The following groups have set-up online and/or phone meetings for people to join. The majority of groups are using Zoom. You can go to www.zoom.com to set up a free account by clicking on the 'Sign-Up, It's Free' button in the upper right corner. If you are unable to join by video, you can usually also call in using the numbers provided below or by finding a local number for your meeting by going to: <https://us04web.zoom.us/j/9804620162>

Note: To host an hour-long meeting one member from your group will need a paid account which is \$14.99/month -- most groups are using their treasury to reimburse the member who sets up the meetings. Some groups are also setting up a Paypal/Venmo account to collect contributions while they are online in order to support the 7th tradition. Many who are doing this are putting in one payment at the beginning to cover a month's worth of what they would put into their meeting. This is not required -- just sharing the experience, strength, and hope of some groups during this time.
